RESPONSIBLE PARTY

Consent for Services & Financial Information: **I understand that I am financially responsible for all charges whether or not paid or allowed by insurance.**
 As a condition of my treatment by this office, I understand that payment is due at the time of service; Patients with or without dental insurance will be asked to pay their estimated portion at the time of service. As a courtesy, Ross Dental Group will submit claims to my dental insurance company on my behalf. I am responsible for notifying the office about any changes to my insurance policy. **Individual yearly maximums are typically shared by any dental specialist that is billing my insurance & any services received outside this office will affect any estimates presented to me. Dental plans do not offer "free cleanings" as all services are paid from the yearly maximum.** Predeterminations are only done at the Patients request & do not guarantee benefits. Insurance termination dates can be backdated & in network rates would not apply if this is the case. The relationship between Ross Dental Group & my insurance company is subject to change. Ross Dental Group will make an effort to advise our patients if this happens via email, phone, postal mail & lobby signage. It is my responsibility to make inquiries about insurance network affiliations. When yearly insurance maximums are reached, in network rates will not apply. It is my responsibility to keep my contact information up to date. Any balance carried more than 90 days can be sent to a third party collector. **I understand that Patients can be dismissed from the practice for excessive past due balances, late arrivals or missed appointments.**

Parents, Guardians or others bringing minors to appointments: By bringing the patient to the office to receive care, I understand that as the person requesting that the Providers at Ross Dental Group render care to the minor, I am responsible for the charges that result from said care. If there are any prior financial arrangements via court order or verbal arrangement, those arrangements are between those entities, not between Ross Dental Group and the Patient or the Responsible Party.

HIPAA: Notice of our HIPAA is clearly posted in our reception room as mandated by law. Your signature on this form is your acknowledgement of that. If you would like a written copy of our specific HIPAA policies, please ask an administrative member of our team.

I understand that Ross Dental Group asks for **48 business hours to cancel or change an appointment to avoid the \$75 cancellation fee.** I am aware that Ross Dental Group sends multiple reminders via telephone, text & email to help remind me about my appointments.
